FIFTEEN CENTS

## Snow, sub-zero weather arrive

By JERRY PFARR

What's the difference between Antioch today and Antioch six months ago?

Well, it's about 100 degrees colder and there are at least 12 inches of snow on the ground.

If you like the change of seasons, you are living in the right place.

The temperature plunged to 14 degrees below zero Tuesday. During the weekend 11 or 12 inches of snow fell, making the total accumulation 19 inches since the beginning of the season.

IN SOME PLACES there are "mountains" of snow at least 10 feet high, pushed there by village snowplows

clearing streets and parking lots.

There probably is a 3-foot bank of snow keeping you from pulling your car out of your driveway. That is, if your car will start when it's 14 below.

But, there's a bright side to the knockout punch

## THE TOWN CRIER

The year 1978 certainly zipped by fast enough didn't it? The worst thing about the years is their speed, but as we think back we remember that Antioch had another good year in 1978.

There are many pleasant memories, many highlights ... to many to review in this limited space, but here are just a few of our recollections:

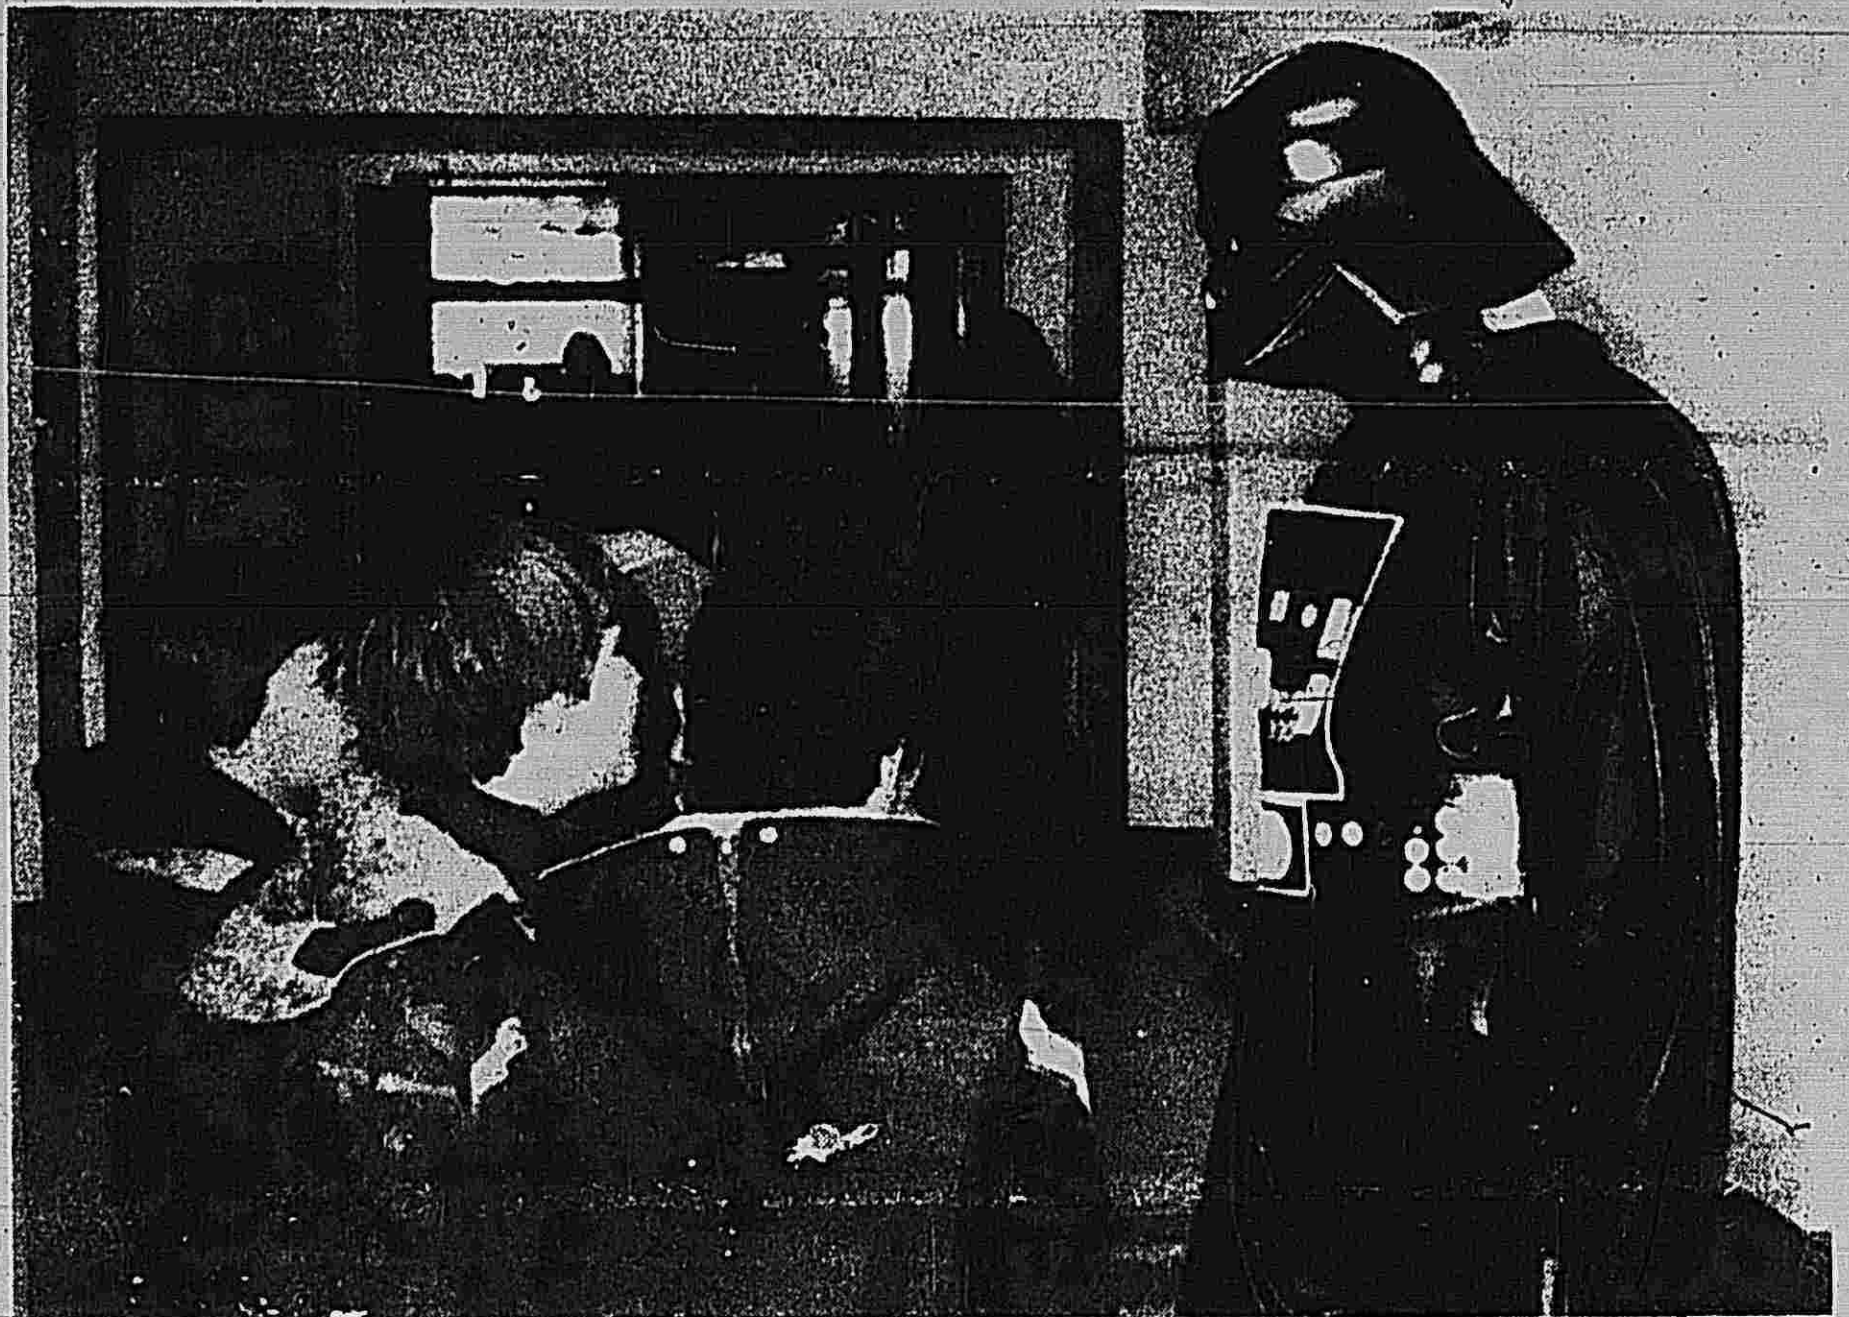

LAST WINTER, Antioch High School enjoyed one of its best basketball teams in the school's history, winning all 16 of its conference games and going all the way to the state sectional finals before losing to Rockford East, the team that eventually placed fourth in the state tournament.

IN APRIL, our good friend and Antioch's chief of police, Jack Wells, resigned, leaving the Antioch Police Department after 28 years of service in the law enforcement profession. He was Antioch's chief for six years. Assistant Police Chief Charles H. (Chuck) Miller was named to replace Jack.

A new superintendent, Dr. Donald E. Skidmore, was hired by Antioch Grade School District No. 34. Dr. Skidmore and his family moved here from Amboy, Ill., and now live in Sequoit Terrace, on First St.

IN MAY, Hiram Buttrick, looking down from that Great Sawmill in the Sky, must have smiled from ear to ear as he

Please turn to page 4

A HIGHLIGHT OF 1978 — "Star Wars" captured the imagination of kids of all ages, so imagine the excitement when Darth Vader

dropped in to visit students at the Antioch Lower Grade School.

(See Town Crier column)

## Laura, 'Casey' back from Leader Dog school

Laura Oftedahl is back in Antioch with "Casey," a black lab...they are graduates of the Leader Dog School in Rochester, Michigan.

Laura, 26, has always been "partially sighted," she said, "but it's getting worse."

So Miss Oftedahl, who works for her father, Ev, at Frostee Foam, Inc., trained with Casey in Michigan for four weeks, learning to travel confidently with her new pet and companion.

DAILY, INTENSIVE TRAINING sessions in the classroom and four-hour practice periods conducted in Rochester, Birmingham and Royal Oak, Mich., prepared Laura and her Leader Dog to work together. Their practice included trips to department stores and many other places of interest, all under the supervision of an instructor.

Graduates must know where they are going and direct the Leader Dog to the destination with commands. A dog does not read traffic lights, but crosses the street upon command from the master, who must study the pattern of traffic. The dog will proceed when it is safe.

The public is asked not to interfere while the dog is working. If it is apparent the individual is having difficulty, a person nearby may simply ask, "May I help you?"

"A few months of 'seasoning' will eliminate problems and distractions," Laura said.

THERE IS NO CHARGE for Leader Dog training, though the cost per team is approximately \$4,500. The non-profit organization is supported by contributions from Lions Clubs, various publicly-supported agencies, and private sources.

Anyone wishing information about the Leader Dog program is invited to contact Laura, or a member of the local Lions Club, or write to Leader Dogs for the Blind in Rochester, Mich. 48063.

"I am available to speak about the Leader Dog program," said Laura. "Interested groups can contact me at home evenings, 395-5987.

She added, "a special thanks to the Antioch Lions Club for covering my transportation expenses to Leader Dog school.

LAURA MENTIONED "a few problems I've run into since returning home just before Christmas."

"It is very hard to work a Leader Dog with so many stray or loose dogs roaming the streets of Antioch. They are a tremendous temptation to 'Casey,' although he knows

better than to go after them when working. It is a continuous task of 'control' for both 'Casey' and I when we encounter these dogs.

"I realize I do not have any control over the matter...but it sure would be easier for 'Casey' and I if these dogs were tied up."

"Also," said Laura, "I love the appreciate all of the friendly people in Antioch--however, I ask that you do not approach, pet or talk to 'Casey' when we are working on the street or in a store. A Leader Dog is 'working' when the master has a hold of the harness. Also, it is absolutely essential you do not call the name 'Casey' when we are working. This interrupts the communication between 'Casey' and myself."

THREE BREEDS ARE used most commonly for Leader Dogs: labradors, German shepherds and golden retrievers. Out of 20 dogs donated, 10 are initially accepted into the program, and only 3 finish the training and become Leader Dogs.

Dogs must be at least one-year-old before they begin training. The training is 4 months - then 1 month with the dog's master. An instructor matches the person and dog, based on personality, body structure, gait, etc.

## CLC News

"Good poetry doesn't have to be deadly dry," says College of Lake County English instructor Ted Schaefer.

A radically redesigned Introduction to Poetry course (ENG 241) taught by Schaefer will be offered spring semester on Wednesday evenings at the college. The class begins Jan. 17.

Among the topics slated for discussion are song lyrics as poetry, science fiction and fantasy verse, satire and protest writing, children's verse, nature poetry and Afro-American

literature.

For information on registration, call CLC's Admission Office at 223-6601, Ext. 300.

A HIGHLIGHT OF 1978 — The 911 emergency system was installed to better serve residents of Antioch, Lake Villa and Lindenhurst. By dialing only three numbers, 911, residents can obtain emergency service from police departments or fire and rescue squads. Above, Garnet Cook (right), com-

munications supervisor for the Antioch police department, demonstrated the new tape-recording system to (from left) Bob Schenk, Lake Villa trustee, "Duke" Schneider, Lake Villa's mayor, and Mike Haley, Antioch's mayor.

## Registration for classes still on

There is still time to register for CLC evening classes to be held at Antioch High School Jan. 15, a CLC spokesman said recently.

Gary Allen, College of Lake County Extension Coordinator at Antioch High School, the classes scheduled to begin on or after Jan. 15 are Principles of Accounting II, Interior Decorating, Skin Care, Personal Money Management, Multi Media Systems (First Aid), Disco Dancing, Effectiveness Training for Women, and Fundamentals of Speech. For further information call 223-6601, extension 300 or 333.

George Bernard Shaw won the Nobel Prize for literature in 1925.

## Former Antioch teacher, Wanda Barthel, dies

Wanda M. Barthel, a third-grade school teacher in Antioch for 22 years, died at her home on Christmas Day. She was 66.

Funeral services were held Thursday, Dec. 28, at the Strang Funeral Home with the Rev. L.H. Messersmith officiating. Burial was in Hillside cemetery in Antioch.

MRS. BARTHEL WAS BORN on Apr. 3, 1912, in Colfax, Ill., the daughter of the late William and Mary McClure Lain.

In addition to her teaching career, she was a former assistant superintendent of Lake County schools under W.C. Petty.

Her 40-year teaching career also included terms with the Colfax grade school system, the old Hickory School near Antioch and the Gurnee Grade School District.

She was a member of the Antioch Woman's Club, the United Methodist Church, United Methodist Women of Antioch, the national and state chapters of the Retired Teachers Association and a charter member of the Alpha Nu chapter of Delta Kappa Gamma. She was graduated from Colfax High School and Illinois State University.

She is survived by her husband, Russell; two sons, Russell Lain of Antioch and Lynn of Grayslake, and two sisters, Mrs. Crete (Harry) Greenlee and Mrs. Melba (Russell) Martin, both of Gibson City.

In lieu of flowers, the family suggested donations to the Antioch Township Library or the Antioch Rescue Squad.

WANDA BARTHEL

For stick-to-itiveness few writers can match the late British novelist John Creasey. Under his own name and 13 pseudonyms, he pounded out 564 books totaling 40 million words from 1932 to 1973.

## Fire Department to get new truck soon

The Antioch Fire Department is awaiting the arrival of a new \$77,000 fire truck.

Chief Charles (Tod) Mapletorpe said he expects delivery the middle of the month.

The chief said the new pumper will replace an

18-year-old fire truck that the village feels can be sold.

A Wisconsin fire department has shown interest in purchasing the old truck.

The new truck is being purchased by the township fire district.

## School board elections near

The Antioch High School board of education has approved the 1979 school election calendar.

The terms of the offices of Charles Forster and Frank Johnson expire in April.

In Antioch Grade School District 34, the terms of Jimmie Quedenfeld and Homer (Sid) Parker are expiring.

The high school board has asked business manager Kenneth Wierschem to prepare specifications for replacement of two buses. Wierschem also is advertising for bids

for replacement bleachers for the visitors section of the football field.

Principal Arthur Blecke reported on a follow-up of the 19 students who participated in the substance abuse program last school year. Ten showed varying degrees of improvement in academic areas, discipline, and attitude.

Also Blecke reported on the first five sessions of the ongoing "Principal's Pow-Wow." The response of the participating freshman parents has been very encouraging, he said.

## DAILY INTEREST

### NO PENALTY FOR WITHDRAWALS

**5%**

Regular Passbook Account is the most versatile of all savings accounts and gives you immediate access to your savings to meet any unforeseen financial needs. You can make deposits or withdrawals at any time, in any amount, in person or by mail. To make it even easier for you to save, we will automatically transfer any amount you authorize from your checking to savings each month.

Your guaranteed 5% interest is computed daily, compounded and paid quarterly for a higher effective annual yield of 5.12%. Your interest is computed from the day of deposit to the day of withdrawal (absolutely no penalty for withdrawals). Most savings institutions pay interest on the amount on deposit at the end of the quarter, but the State Bank pays you interest quarterly for the full time your money is on deposit, no matter when you need to withdraw. Don't delay, stop in soon and discuss your savings requirements with qualified personnel in our New Accounts Department.

## THE TOWN CRIER

For Antioch, it was  
a very good year

Continued from page 1

watched nearly 100 volunteer workers combine their efforts to put the finishing touches on a replica of the mill he built here in 1839.

The volunteers worked through rainy weekends to help complete the sawmill for its July 2 dedication so that Antioch would have the state's only working historical project conceived in the 1976 bicentennial year.

JUST DIAL 911 and you will get emergency service from the police department, fire department or rescue squad.

Antioch, Lake Villa and Lindenhurst shared the cost of the new telephone system.

IT WAS "a hot time in the old town" on Sunday, July 2, when Antioch held dedication ceremonies for its bicentennial sawmill.

Thousands turned out for a parade, one of the community's largest ever, and then for the ceremonies at the sawmill. Mayor Michael J. Haley participated in ribbon cutting ceremonies for Gage Brothers park, built adjacent to the sawmill, and also cutting the ribbon was Betty Lu Williams, township librarian, who is a descendent of Antioch's early settlers.

IN NOVEMBER, construction of Antioch's new lower grade school began with a traditional ground-breaking ceremony.

District 34 superintendent Don Skidmore broke ground with a gold-painted shovel as school board members, contractors, architects and others applauded.

The school will be located just west and north of the present Upper Grade School and will include grades kindergarten through five.

It will have an estimated capacity of 450 students. The school is expected to be ready for the 1980-81 school year.

AND WHO WILL EVER forget the way Antioch High's football team finished the season... with three straight thrilling victories after being frustrated in close, heart-breaking losses on previous weekends.

New head coach Steve Wapon, plus his assistants and their athletes, really lived up to the bumper stickers that said, "Antioch Football Is On The Move."

And that slogan could go for the whole town.

## Commentary

## Pierce fights for tax relief for homeowners, renters

State Rep. Daniel M. Pierce, Highland Park Democrat and chairman of the Illinois House Revenue Committee, is introducing a package of legislation to provide tax relief for homeowners throughout Illinois.

Included in the package are a rollback of the assessment level from 33 1/3 percent to 25 percent of fair market value.

This will take into account the hardship imposed upon homeowners by runaway inflation on home values that has far outstripped the increase in the cost of living and pay structures.

THE SECOND PROPOSAL will be to exempt the first \$5,000 of increased assessment from taxation on order to relieve the pressures from inflation on homeowners' tax bills.

During the 1978 legislative session, a bill passed exempting the first \$1,500 of equalized assessed valuation, but Pierce feels that this is not significant due to the sharp increases in assessed valuations throughout the suburban area, especially in Lake County.

Pierce therefore proposes that the \$1,500 homestead exemption be increased to \$5,000 for all homeowners whose assessed valuation is increased by tax authorities.

A THIRD PART of Pierce's package is to eliminate the reduction in state aid that happens to school districts when assessed valuations are increased.

This has caused school districts to maintain their high tax rates, even as assessments are increased and their revenues from real estate taxes are increased.

Pierce feels homeowners, who are required to pay higher taxes when assessments are increased, should receive lower rates from the school districts--and that the only way to achieve this is to eliminate the penalty against school districts in the form of reduction of state aid after assessments are increased.

Pierce led the fight against the proposed 29 percent multiplier that the Lake County Board of Review wanted to institute for 1978 taxes, payable in 1979, against real estate taxpayers in Deerfield Township.

The Board of Review has now backed off this proposal, Pierce said, after pressure from homeowners in the Highland Park Area.

AS CHAIRMAN OF the House Revenue Committee last year, Pierce passed the circuit-breaker rebate bill for all homeowners and renters with incomes of \$25,000 or less, but this bill was vetoed by Governor Thompson.

Rather than try the circuit-breaker rebates again, which

Thompson is still pledged to veto, Pierce this year is attacking increases in assessed valuations on homeowners.

"Homeowners should not be penalized," Pierce said, "because the inflation rate of homes has far outstripped the general cost of living and income increases of homeowners. While the general rate of inflation has been 7 to 8 percent, homes have increased at 15 percent per year throughout much of the north suburban area," Pierce pointed out. "That's double the rate salaries and incomes have increased."

## Letter

[Editor's note: Sue Koppa resigned at the end of 1978 as parks and recreation coordinator for the village of Antioch. This is her farewell letter. We will miss her in her job but, fortunately, Sue is staying in Antioch. She and her husband, Jim, are considering a business opportunity here.]

To the people of the Antioch community:

As I resign my position as park and recreation coordinator for the village of Antioch, I could not leave without expressing my sincere thanks to the Antioch people for their support of the park and recreation programs.

I wish to thank the many volunteers who, over the past five years, have been the building blocks for the recreational programs we have today. Your time spent and ideas generated were greatly appreciated.

I wish to thank all of our businesses and organizations who, believing in the need for activities for young and old,

## Election Results Delayed

Because of a lack of returned ballots for the Antioch Chamber of Commerce and Industry election for board members winners have not been announced as of yet.

Executive Secretary Lee Trezise said people wishing to cast their ballots should have them returned to the office immediately. Trezise said she is aware of the inconvenience caused by her illness but must have the majority of corrected ballots as soon as possible.

The annual Installation Dinner-Dance for the Antioch Chamber of Commerce and Industry has been set for Jan. 20.

Also, a welcome was given to new members Douglas and Elaine Olson, of the General Store, to the general membership; Susan Siwala, Park Ave. Gallery, to general and retail membership, and Scott Christiansen, of National Merchandising Corp. and E.M. Kreplin and Assoc., to membership.

## HAPPENINGS

IN AN EFFORT to make college credit courses easily available to Lake County residents, the College of Lake County offers a variety of classes at extension centers throughout the college district.

In Waukegan, more than 50 college transfer and career program credit classes will be meeting at the west campus of Waukegan High School. Courses include data processing, mental health technology and law enforcement, as well as English, mathematics, accounting, sociology, psychology, speech and anthropology.

Those interested in im-

proving communication skills can enroll in speech classes at Antioch High School.

A complete class schedule with meeting times is available in the college admission office in Grayslake. Classes for the spring semester begin the week of Jan. 15.

For information on registration call the admission office at 223-6601, ext. 300.

## Negotiations resume with school teachers

Negotiations have been resumed between the Antioch Grade School Board and the District's teachers, who have been working without a contract since last June 30.

Sessions are held at the Upper Grade School. The two sides have been meeting since April, but failed to come to terms. In November, each side began employing professional bargainers.

The teachers' negotiator, Glenn Smith, said general working conditions, salary, fringe benefits and other economic items remain unsettled.

Smith wouldn't define the teachers' requests in these areas, but said their position is within President Carter's wage guidelines.

The contract now being negotiated will be the teachers' first since they affiliated with the Illinois Federation of Teachers during the 1977-78 school year.

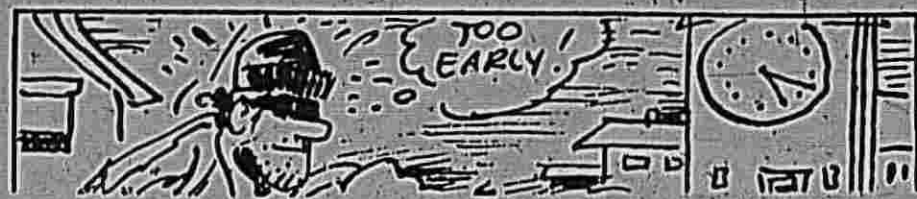

The introduction of professional negotiators, Smith said, has considerably speeded up the bargaining process. For months, the teachers had sought to have Smith represent them at the sessions, but the board refused to meet with him. In October, the board changed this stance, reluctantly agreed to bring in an outsider to lead their talks and hired Kenneth Twadell of the Illinois Association of School Boards.

"There are certain things a professional negotiator is aware of in contract language that the board was apprehensive about and afraid to commit themselves to," Smith said.

"They were probably unsure of the language's legal ramifications."

Smith, a part-time IFT negotiator, is also a teacher at Grant High School.

The contract will cover the district's 80-member teaching staff.

According to the F.B.I., most burglaries occur between 6 p.m. and 2 in the morning.

## Blood Pressure and Hearing Tests Set For Antioch Area

Free Screening for high blood pressure and hearing loss will be given at Antioch Drugs at 480 Orchard in Antioch on Friday, January 5th from 10 a.m. til 2 p.m.

High blood pressure, the leading cause of stroke, heart, and kidney failure, can usually be controlled through medical supervision. It has no symptoms, however, and because of this, periodic testing is advisable. The tests will be performed by a registered nurse.

Factory-trained Beltone Hearing Aid specialists will perform the hearing tests using modern electronic equipment. Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a test to keep track of how their hearing is changing and to find out if they are one of the many a hearing aid can help.

The free tests will be given on Friday, November 3rd at Antioch Drugs at 480 Orchard in Antioch from 10 a.m. til 2 p.m.

Organizations interested in providing this service for their group, customers, or employees call Mark Nelson at 662-4700.

## The migraine personality

[Editor's Note: This column by pharmacist Don Mendrala of Antioch Drugs is intended to be informative only and is not to be construed as medical advice.]

By Don Mendrala

Many physicians who treat migraine agree that the typical migraine prone man or woman is a rigid perfectionist who is extremely stress oriented and lives a high pressure existence.

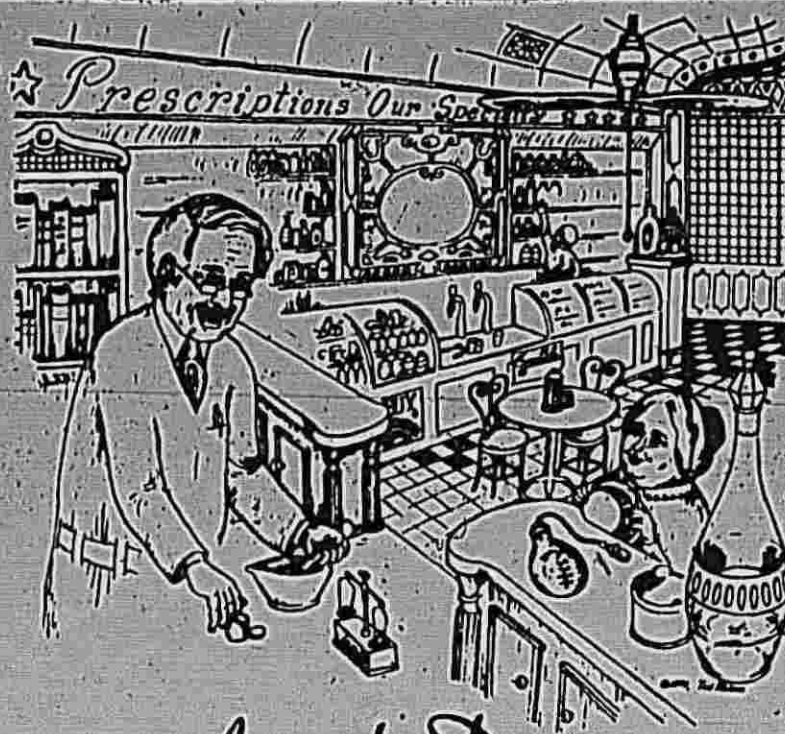

Ironically, such a person often gets a migraine not when the pressure is on but when it is off. During the week the man or woman may work long hours, get up early and go to bed late. Yet on Saturday or Sunday when it is possible to get up late and relax a migraine strikes.

Physicians call this the "weekend migraine syndrome" and believe it is caused by a sudden change of pace. They recommend that people who fall into this pattern try to get up early on weekends to try and "foil" the headache.

Even if you are not operating under an intense work schedule, psychological stress can be a factor in bringing on migraine, especially if you are not aware of the source of stress. For most people everyday life is filled with some degree of family, job or economic pressure. When the pressure builds up a migraine can result. Anxiety about getting a migraine can itself trigger a migraine.

It should be pointed out of course, that not all intense, hard working people are vulnerable to migraine, nor are easy going types immune.

**THE ROLE OF DIET:** Prolonged fasting or even missing a meal can produce migraine in susceptible people. In addition certain foods and food additives contain chemicals that can precipitate a migraine attack. Amino acids in chicken liver, ripe or aged cheese, citrus fruits and red wine, for example, have been singled out as possible migraine triggering agents. So have nitrate and nitrite compounds used to color and cure such foods as bologna, salami, bacon and frankfurters. Monosodium glutamate [MSG] used in oriental cooking, TV dinners, packaged nuts, potato chips, canned soups and seasoning mixtures may also contribute to migraine. So may coffee if

Antioch Drugs  
395-4151

consumed in large quantities, but decaffeinated types are safe. Some people are sensitive to odors and find that the smells of some perfumes, foods or other substances will trigger a migraine.

**HORMONAL CHANGES:** In some women migraine attacks may be especially severe during puberty, menstruation, Ovulation [which occurs about midway between periods], pregnancy menopause. These are times when hormonal changes are taking place in the body. Estrogens contained in birth control pills and medication used to relieve menopausal symptoms may influence the occurrence of migraine. Certainly if your headache becomes more severe when taking medication you should let your physician know.

**MEDICAL TREATMENT:** Migraine treatment has two primary objectives - to relieve the pain during an acute attack and - to prevent future attacks if possible or reduce their frequency.

**RELIEVING THE PAIN:** The medication that your doctor prescribes to relieve your headache will depend on your individual situation, your overall health, age, the severity and frequency of the headaches and other considerations. For some people aspirin or a more powerful pain killer may be sufficient. However, the drug that most physicians prescribe to treat migraine is ergotamine. It acts by constricting the blood vessels around the skull.

Ergotamine may be prescribed by itself or in medication that also contains a sedative, relaxant or other type of drug. The medication may be taken as a tablet either swallowed or placed under the tongue, in suppository form, as an injection, or in an inhaler. When taking ergotamine it is essential that you follow your doctors instructions exactly.

The smallest ship ever to cross the Atlantic was the *April Fool*. Only 5 feet 11 inches long, it sailed from Morocco to Florida in 1968 in only 84 days.

## Village employees work overtime in miserable weather

Continued from page 1

delivered by winter. Eleven weeks from today spring will be here!

It's also nice to know that village employees are working especially hard right now to make things easier for us in this time of disabling weather.

Police Chief "Chuck" Miller said his men are patrolling roads in outlying areas, outside the village.

"WE'RE CHECKING ROADS where someone is apt to be stranded," the chief said. "In this weather we get a lot of stalled cars, and also cars that slide into ditches."

"People have frozen to death in cars because they're afraid to get out and walk. We're also keeping in mind older people and those with small children in cars. We keep an extra eye out for those who might be stranded."

Miller pointed out that motorists tend to drive faster on days like Tuesday, when it's 14 below and clear, than they do when snow is falling.

But the roads have slick spots that haven't melted and speed, plus ice, sends cars off roads and into snow banks.

**THE VILLAGE'S THREE** snowplow trucks were in almost constant use from Saturday morning until 8 p.m. Monday.

Now that the snow has stopped falling (we hope), village crews will come in Wednesday at midnight and begin removing the white stuff from the downtown area so people can get to the stores.

Walt Shepard, superintendent of public works, said snow removal probably will continue Thursday and resume next Monday and Tuesday.

Where do they put the snow?

Shepard said about 90 percent of what is hauled away will be dumped behind Williams Park, on the old dairy property. The rest may be hauled to the parking lot built for the sawmill.

"It's a very frustrating business," Shepard said, "because if the sun comes out, it can do in 20 minutes what it took us all night to do."

Shepard said this amount of snow isn't unusual for this time of year.

"In the 20 years I've been doing this," he said, "we've learned you can usually count on a good snowstorm on Christmas or New Year's, or maybe both."

That's why dreams usually come true for those dreaming of a white Christmas:

## Antioch youth selected to board

Marsha Fallon, a junior at Antioch High School, has been selected to the Executive Board of the Illinois Youth Traffic Society Safety Conference, the Illinois Department of Transportation announced recently.

Her selection as a mem-

ber of the executive board means that she will play a decisive and prominent part in the development and program functioning of the regional and state assemblies of the conference during the 1979-80 school year.

## Loses 96 Pounds and Keeps It Off!

Credits Healthy Conway Diet

Pat Bennett lost 96 pounds in nine months on the Conway 1000 Calorie Diet. That was in 1977.

In 1978 she had her first thin year since beginning her family. Pat has experienced no difficulty maintaining her entire weight loss.

She attributes her success to sound nutrition, increased physical activity and maintaining her own personal motivation.

"I learned it all at the Conway weekly seminars," says the smiling, self-confident Mrs. Bennett.

The Conway weight reduction program consists of three main elements:

- **The Ideal 1000 calorie diet** that includes all food groups and exceeds the established nutritional requirement for adults.
- **Weekly educational seminars** that deal with the physical, nutritional and emotional causes of overweight.
- **The Forever Slim plan** for permanently maintaining slimness.

### NEW MEMBERS—SAVE \$5.00

Bring this coupon with you to any meeting listed and you will save \$5.00 off the Initial Registration Fee of \$6.00 and Weekly Seminar Fee of \$3.00. Pay only \$4.00 instead of \$9.00. Offers expires Friday, January 26, 1979.

# Double Your Money

Now is the time to invest in Antioch Savings' high yielding certificates of deposit. Today, more than ever before, savers can benefit by historically high interest rates on their savings. Antioch Savings will help you double your money with our new 8% (8.45% annual yield) certificates.

For as little as \$1,000, you can double your money in an Antioch Savings' 8% certificate of deposit in less than nine years. Better yet, your investment is guaranteed safe because it's insured up to \$40,000 by an agency of the Federal Government.

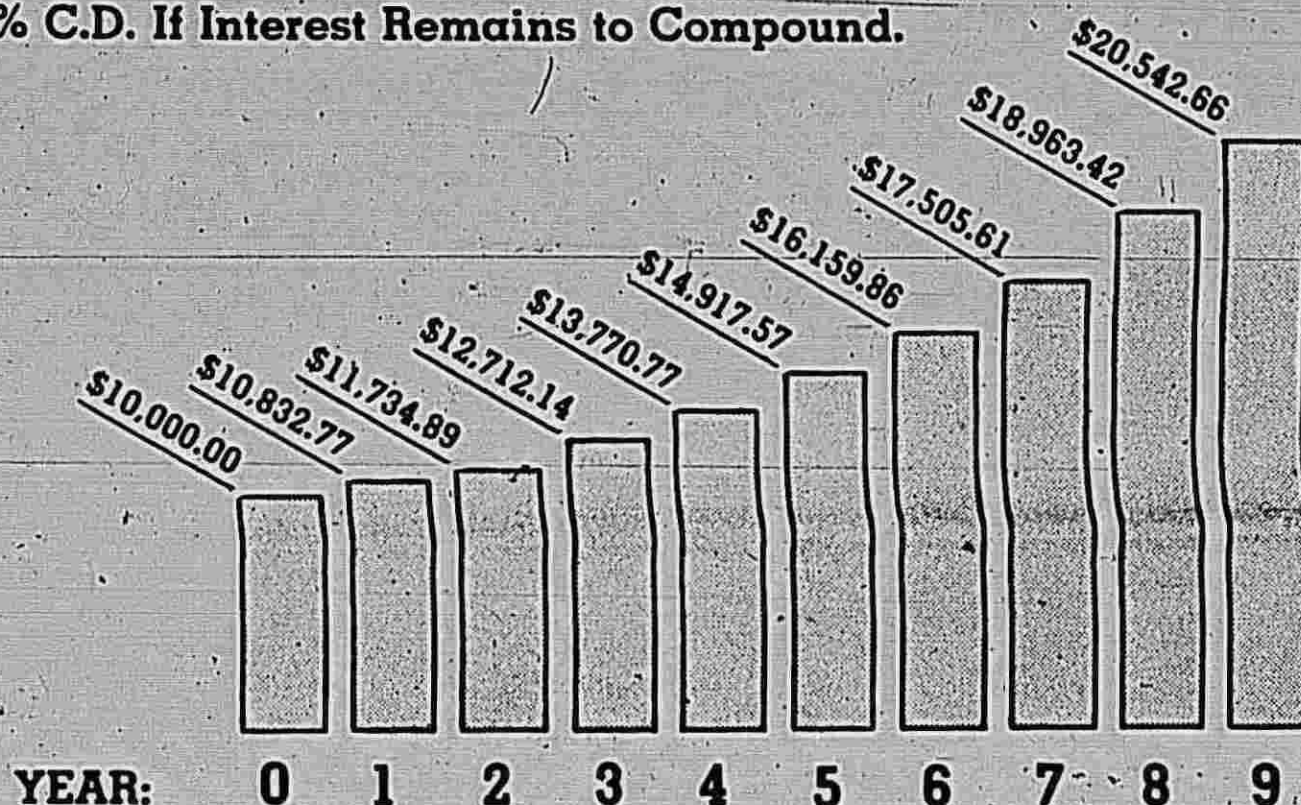

If you have an account that is coming up for renewal or funds which you want to accumulate for a specific purpose such as a college education, retirement or a

vacation, come to Antioch Savings where you will receive sound advice and a simple explanation of your financial alternatives.

You may choose from a variety of savings and investment plans. There's more! When you open a new account or add to your existing accounts, you may also choose from a wide selection of popular name brand gifts. A Jacobsen Snow Blower, GE Clock Radio, Skil Power Tool, and a Cannon Blanket are just a few that are on display in our lobby.

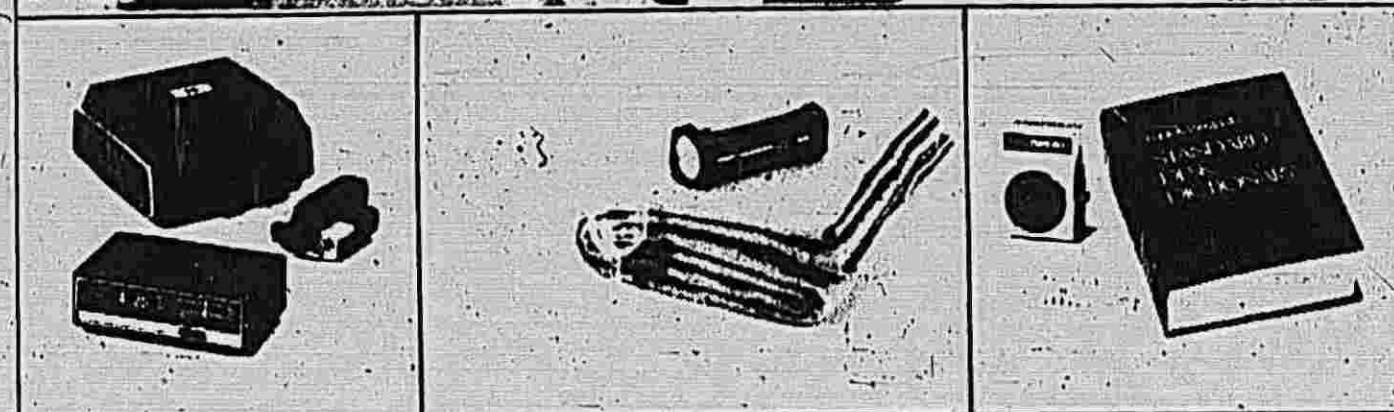

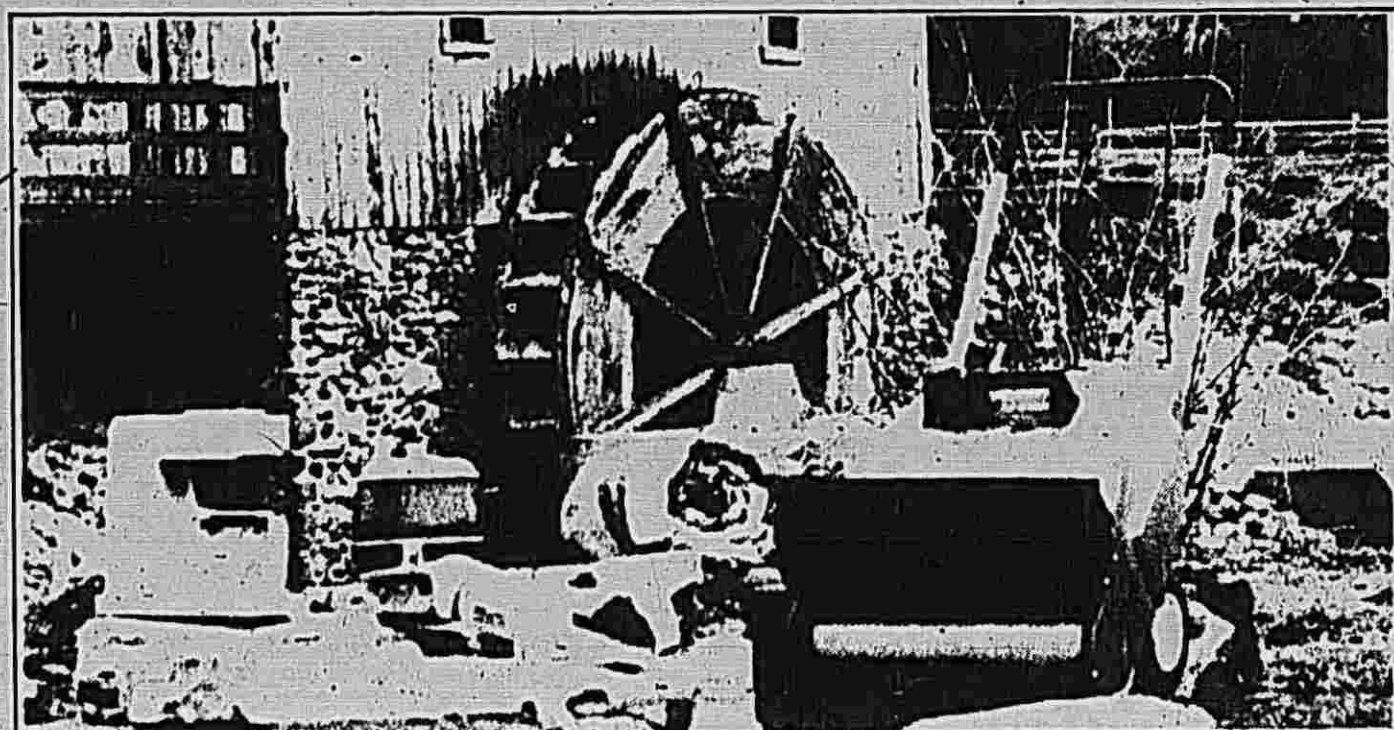

Stop in today and get acquainted. Helping you DOUBLE YOUR MONEY is just one more way that Antioch Savings is "MAKING GOOD THINGS HAPPEN"

**\$10,000 Grows To \$20,542.66 In 9 Years In Our 8% C.D. If Interest Remains to Compound.**

Your Guide to Fine Dining and Excellent Entertainment

# THE ENTERTAINER

**CONGRATULATIONS EINAR!** — State Bank of Antioch employees surprised Einar Petersen, bank custodian, with two cakes to celebrate his 74th birthday, Dec. 28.

The Treasury Department has a special fund to which people claiming to have defrauded the government on taxes can contribute anonymously. It now has \$3.5 million in it.

## Along the way with ANNIE MAE

Grace Ganzer, formerly of Antioch and now of Albany, Ore., was a survivor in last week's jetliner crash in Portland, Ore.

Her brother, Paul "Dutch" Zeien of Antioch, tells us that Grace managed to climb out onto the roof of a house and was lucky to emerge from the crash with only a couple of broken ribs and a bruised shoulder.

**DID ANYBODY CATCH** a glimpse of Kim Korando in the Orange Bowl parade on television?

Kim plays the piccolo with the University of Oklahoma marching band. She also took part in the Sooners' halftime show.

"Greetings from sunny Texas," said the bright and cheery card from George and Judy Phillips, who moved there from Antioch recently.

"I really shouldn't mention that it was 81 degrees in Bay City today, but I will anyway," said Judy...and we can just see the smile on her face.

"Bay City, Texas, is okay," she added, "but Antioch is much better in every way. We miss Antioch and all you wonderful people. Bay City is growing very rapidly and not doing a very good job of handling the growth."

The Phillips' new address is 3412 Lanarkshire Ave., Bay City, Texas, 77414.

We hope they're happy there, but George and Judy are welcome back anytime.

**HAPPY TO HEAR** that the Antioch Jaycees' first annual "Pancake Breakfast With Santa" was a big success.

John Burnett, project chairman, is getting pats on the back from all of his fellow Jaycees... a wonderful group of young men.

**HEAR TELL** Gordon Brandsness of North 2nd Ave., Antioch, won \$500 in the Holiday Bonus Drawing in the Illinois State Lottery's \$1 Instant TIC TAC DOUGH game in December.

Imagine! A Christmas gift from the state of Illinois!

**MOOSE LODGE MEN AND WOMEN** did a nice thing at Christmas when civic affairs chairman Fred Beckman (for the Loyal Order) and Norma Lowe (for the Women of the Moose) and members Jim Page, Howie Laursen and Ken Knackstedt delivered boxes of food and gifts to three needy families in the Antioch area.

Since Thanksgiving, members and Women of the Moose have brought non-perishable items and donated money to help with this annual sharing event.

Since the basic principal of a Moose member is giving -- they maintain their two cities Mooseheart for the young and Moosehaven for the aged -- the needy in the community also shared the Moose generosity during the holiday season.

Chairmen Fred and Norma thanked all those who made this sharing possible.

## Women of the Moose News

By JUDITH PAGE

Twenty-one Women of the Moose members attended the Dec. 21 business meeting.

Balloting on new members was held. Senior regent Judith Kelly congratulated and presented gifts to the December Birthday marchers: Jerri Polson, Judy Cook and Elsie Toman.

Colleges of Regents chairman Gladys Schroeder was placed in nomination from the Antioch Chapter for the Paul P. Schmidt Honorary Diploma Award given each year by Mooseheart for an outstanding Moose member.

Gladys has been a member of the Antioch Chapter for 25 years. She has served her chapter in its highest capacity as senior regent and holds the degree of College of Regents.

She has performed as pianist for the chapter and presently is serving as College of Regents chairman.

In the 10 years of this writer's membership, Gladys has missed only two meetings, thus attending a total of 238 in the 10-year period. Antioch members wish her well in the nationwide contest.

The next enrollment meeting will be held at 8 p.m. Thursday.

## Happenings around our community...

THE ANTIOCH Township Library will hold a budget meeting Jan. 9 at 3:30 at the Antioch Township Library.

The regular January library board meeting will be held Jan. 23 at 4 instead of Jan. 30.

A FREE blood pressure screening clinic will be conducted by the Lake County Health Department on Wednesday, Jan. 10, at the Antioch library, 757 Main St. from 2 p.m. to 4 p.m.

All adults are welcome. No appointment is necessary.

At the clinic, nurses will screen persons for high blood pressure and will refer those with elevated blood pressure to a physician for medical evaluation.

In addition, instruction for diets, medications and other aspects of controlling

high blood pressure will be offered to persons referred by their physician.

THERE WILL be a special meeting of the board of education of Antioch High School, District 117, on Thursday at 7, in the board room.

The purpose of the meeting is to discuss the handling of student discipline.

A HIGHLIGHT OF 1978 — Antioch made a new friend last year when Doug Plank of the Chicago Bears came to town a couple of times. On this occasion he played with the Bears' basketball team against an Antioch

Chamber of Commerce team. The Chamber's cheerleaders, for some reason, spent some of their time encouraging a member of the opposing team.

## Math students compete in nationwide league

Antioch High School has joined the Atlantic-Pacific Mathematics League, a nationwide league of high schools.

The math teachers recommend their top students from geometry, algebra II, and senior math. Each contest consists of six difficult problems and only 30 minutes are allowed to solve them. No calculators, tables or other aides are permitted.

The first contest was held Oct. 18. Norman Hoffeditz (soph) finished first. Bill Hucker (sr.) and Paulette Kreulach (jr.) tied for second.

In the second contest, Nov. 15, Dennis Groth (sr.) finished first with Bill Hucker (sr.) second.

Dawn Krahn (jr.) placed first in the third contest held Dec. 15.

The cumulative totals for the first three contests show Norman Hoffeditz, Bill Hucker and Dennis Groth tied for first place.

One point behind these three are Darren Houghton, Kirsten Laurin and Dawn Krahn.

## Astro-Analysis

By Sonia

**ARIES** [March 21-April 19] - Your views on some issues are prone to change; be prepared to do some explaining to associates who aren't willing to make concessions.

**TAURUS** [April 20-May 20] - Each undertaking or new task requires added patience and diligence. This week you should pay particular attention to perfecting your work.

**GEMINI** [May 21-June 21] - Attempts on your part to smooth things over with others could be mistaken as being too authoritative. Handle those affairs which are of a personal nature.

**CANCER** [June 22-July 21] - Keep optimistic, especially around co-workers. Show that you are enthusiastic about new responsibilities. New encounters can lead to a more promising future.

**LEO** [July 22-August 21] - By being diversified you are in a better position to grab onto new opportunities. Your main concern now should be in making the right decision.

**VIRGO** [August 22-September 22] - A more courteous attitude may now be necessary in dealings with those close to you. Ignore the urge to be too outspoken on issues that are insignificant.

**LIBRA** [September 23-October 22] - Try to keep your routine activities in some order; promises made now are easily broken so don't make commitments. Let others work out their own difficulties.

**SCORPIO** [October 23-November 21] - Seek professional advice where needed; outside opinions come in handy now. By keeping in good physical shape you are in a better position to handle those energetic demands.

**SAGITTARIUS** [November 22-December 20] - You may have time to show some possessiveness of your leisure time now as people tend to make demands. Decline invitations which you consider obligations.

**CAPRICORN** [December 21-January 20] - An impression of superiors is at hand if your creative talents take command. Show assertiveness; communicate your views.

**AQUARIUS** [January 21-February 19] - Unplanned circumstances could put a temporary damper on plans but make the necessary adjustments. It's best now to take things on a day-to-day basis.

**PISCES** [February 20-March 20] - Your need for a somewhat quieter, more subdued pace is important. Seek time to yourself so you can be better prepared for planning the coming year.

# Wrestlers 4th in tourney, perform at home on Friday

Antioch's wrestling Sequoits placed fourth in the 16-team "Russ Erb Holiday Tournament" at Glenbrook South High School last weekend.

Coach Ted DeRousse's Sequoits scored 103 points and were topped only by Glenbrook North, Riverside-Brookfield and the champion, Fenton.

Marvin Gibson, wrestling at 126 pounds, was Antioch's only individual champion as he dominated the field with three falls and an 8-3 decision in the finals over Fenton's best 126-pound wrestler.

GLEN McCOLLUM OF ANTIOCH, at 98 pounds, reached the finals by scoring a fall, a superior decision,

and then winning 2-1 in the semifinals. He placed second in his championship match.

At 105 pounds, Dave Unrien finished second after a forfeit, a fall and a decision in the semifinals.

Jon Gibson was third for Antioch at 112 pounds and Glen Kait fifth at 138.

THE ANTIOCH TEAM returns to its home mats Friday night against Lake Zurich.

On Saturday, DeRousse will take his Sequoits to Crystal Lake South for a double dual meet with that team and Crystal Lake Central.

## Frosh wrestlers in 2 tourneys

Antioch's freshman wrestling team, participating in two Christmas tournaments, came away with two individual champions and a second and sixth in team placement.

On Dec. 22 the Sequoits placed third in the Grayslake tourney in an eight-team field. Individual champions were Bob Thain at 98 lbs. and Rich Schlarbaum at heavyweight.

Other Sequoit wrestlers placing were Pete Kessler, 2nd at 119 lbs; Alex Apostol, 2nd at 138; John Filkley, 2nd at 145; Butch Kirkegaard, 2nd at 167 lbs. and Tim Smith, 2nd at 185.

The meet championship went to Grant with Ridgewood High School second.

The frosh grapplers also participated in Warren's tournament on Dec. 23. Antioch did not do as well as expected, finishing sixth in the eight-team tourney.

Individuals placing were Thain 2nd at 98 lbs; John Wohlfeil, 3rd at 112; Kessler, 2nd at 119; Kirkegaard, 3rd at 167; Smith, 3rd at 185, and Schlarbaum placing 3rd at the heavyweight position.

Wheaton Central captured the top team spot, with Crystal Lake and Warren following.

The Antioch wrestlers will go against Lake Zurich on Friday at 6:30 p.m. at Antioch High School.

THE GRAND-PRIZE WINNER at Lasco's Christmas tree lot during the holiday season was Paul Neurauter, who received a certificate for \$100 worth of groceries. He is pictured with Mitch Lasco and his dad, Bob.

## Frosh-Soph girls sharp in basketball

The Antioch frosh-soph girls basketball team brought its season record to 2-0 by defeating Mundelein 44-12.

Antioch applied a full-court zone press, causing Mundelein 13 turnovers in the second quarter. At half, Antioch led 22-10.

Continuing the press in the second half, Antioch allowed Mundelein only 2 points while scoring 22 points.

Leading Antioch were Tracy Manuel with 17 points and 10 rebounds and Darlene Olsen with 12 points and 10 rebounds.

Antioch's next game will be next Monday at McHenry.

## Allan Figi wins basketball contest

The challenge in last week's Antioch News basketball contest was to predict the outcome of the Sequoits' game with Rockford Guilford in the Rockford Classic holiday tournament.

Allan Figi, 13, of Trevor, predicted a 10-point victory for Guilford and that is exactly what happened.

So Allan wins first prize — \$15 in cash from the Thelen Sand and Gravel Company.

THERE WAS A TIE for second when both Sue Kasik of 753 Hillside Ave., Antioch, and Jayce Redmer of Burlington picked Guilford by 12 points.

To determine their prizes, the "tie-breaker" had to be used. That "challenge" was to predict the champion in the 16-team tournament. Sue picked Rockford Auburn and Jayce picked Buffalo Grove. Pretty good forecasting, because Auburn beat Buffalo Grove 57-50 in the finals.

Sue will be mailed a \$10 gift certificate from Candlelight Galleries while Jayce will receive a \$5 gift certificate from the Las Vegas Restaurant.

THIS WEEK'S CONTEST is particularly interesting, since Antioch plays at Lake Zurich in a game that matches two of the co-leaders in the Northwest Suburban Conference.

Each team has a 3-1 record in the league and is battling to stay in the race for the championship.

Which team is going to win, and by how many points? Just write your prediction in the blank on page 11 and get it to us before tipoff time Friday night.

# Basketball race gets interesting

Back from the Rockford Classic tournament, Antioch High's basketball team is ready to resume conference warfare this weekend.

The Sequoits play at Lake Zurich at 8 p.m. Friday in a game that looms more important than anyone might have suspected at the start of the season.

It turns out that Antioch and Lake Zurich are tied for first in the Northwest Suburban league, along with Stevenson and Grant. All four teams have 3-1 records.

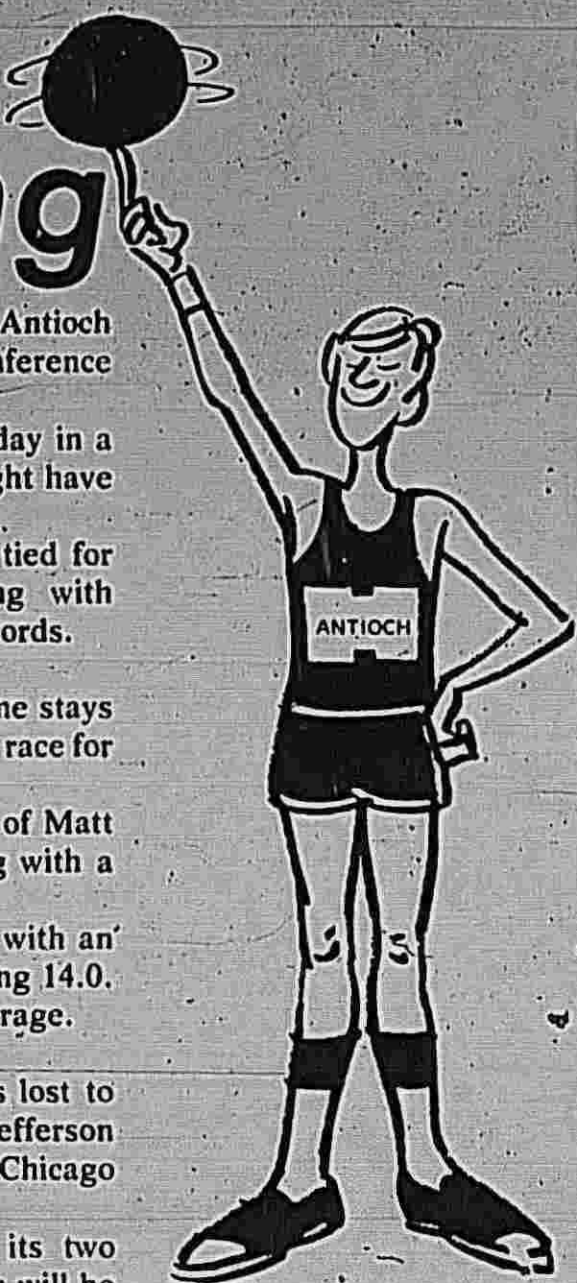

THE WINNER OF the Antioch-Lake Zurich game stays tied for the lead and very much in contention in the race for the championship.

At Lake Zurich, Antioch will face the shooting of Matt Hildebrandt, who leads the conference in scoring with a 26.3 average after four games.

Antioch's Pete Ploss is third in league scoring with an 18.5 average and Scott Gallagher is 10th, averaging 14.0. Warren's Dave Kolar is second with a 21.5 average.

IN THE ROCKFORD tournament, the Sequoits lost to Rockford Guilford 62-52, defeated Rockford Jefferson 62-57 and then lost in the consolation semifinals to Chicago Mendel 50-41.

Low field goal percentages hurt Antioch in its two losses. Coach Roger Andrews figures his Sequoits will be back on target when they start firing at Lake Zurich's hoop Friday night.

## BOWLING

## Andrews on Rockford College '5'

Former Antioch High School basketball standout Brian Andrews is now a reserve guard on Rockford College's varsity squad, which has gotten off to a 9-3 start.

Andrews, a 6-2, 175 lb.

freshman-business administration major at Rockford, has appeared in four varsity contests, scoring four points and gathering in five rebounds in limited playing duty.

In addition, Brian is a starter on the Regents' 4-2 junior varsity squad, averaging 10.8 points and 4.7 rebounds per game with 45.3 percent field goal and 85 percent foul shot accuracy.

ROCKFORD WILL next see action by hosting Milton College next Monday in Seaver Gym. Rockford is the defending co-champion of the Northern Illinois Intercollegiate Conference, having shared the 1977-78 crown with Olivet Nazarene College at 10-2 on the way to a best-ever 20-7 record a year ago.

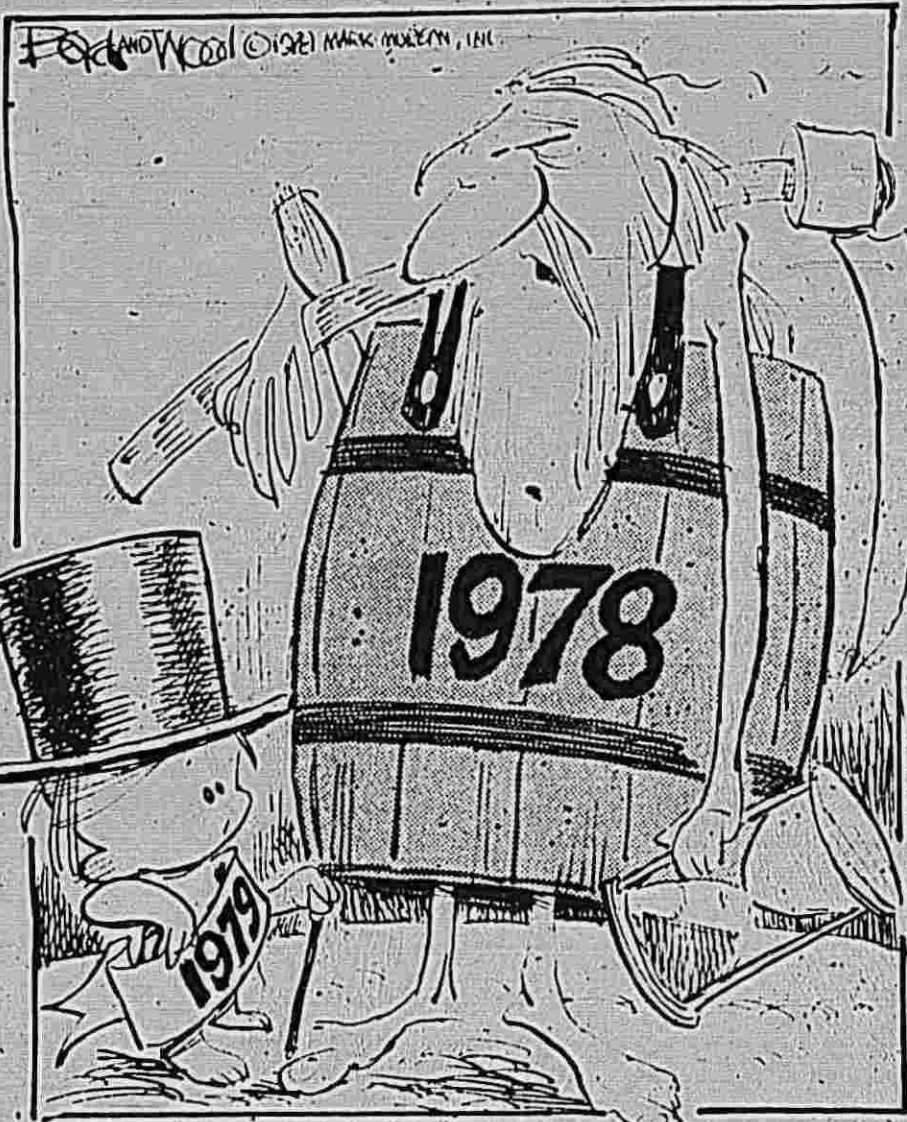

AT ANTIOCH High School, Andrews was a two-year starter for the Sequoits. He was the squad's captain and MVP as a junior while making all-conference.

As a senior in 1977-78 he was captain, all-conference and all-county.

...And Another Thing...Watch Out For Inflation.

## Today's Brighteners

A slick attorney who journeyed to California to try an important case promised to wire his partner the moment a decision was announced. At long last the wire came and it read, "Justice has triumphed." His partner in New York wired back, "Appeal at once."

All you need to grow fine, vigorous grass is a crack in your sidewalk.

Wife: "Oh, stop the car quick. I forgot to turn off the iron."

Husband: "That's alright, dear, nothing will burn. I forgot to turn off the bath."

"Young man," said the young girl's father, "we turn out the lights at midnight in this house."

"Thank you, sir," said the boyfriend, "That's really nice of you."

Quality parts & workmanship guaranteed at reasonable prices.  
We stock RCA and Zenith modules and phonograph needles.

Hours: 8 a.m. to 8 p.m.  
Monday thru Saturday

## BLIZZARD BONUS:

Keep ahead of Old Man Winter by jumping on our special cold season prices. And power up for other jobs in the three other seasons to come.

- Choice of International® Cub Cadet Lawn & Garden Tractors, hydrostatic or gear drive
- All-steel drive train—tough and durable

### LEGAL NOTICE

To: Members of Antioch  
Savings and Loan Associa-  
tion

Notice is hereby given  
that the annual meeting of  
the Members of Antioch  
Savings and Loan Associa-  
tion will be held at 425 Lake  
Street, Antioch, Illinois, in  
the office of the Association  
at 6:00 p.m. on Monday,  
January 15, 1979.

The purpose of this meet-  
ing will be to elect direc-  
tors, to amend the Articles  
of Incorporation by provid-  
ing that future voting rights  
will be vested exclusively in  
the permanent reserve  
shareholders and bor-  
rowers of the Association.

The proposed amend-  
ments to the Articles of  
Incorporation are hereafter  
set forth in their entirety:  
**RESOLVED:** That Arti-  
cle 5 of the Articles of  
Incorporation be amended  
by the modification of the  
following two sections:

Section 4: all voting  
rights shall be vested  
exclusively in the per-  
manent reserve share-  
holders and borrowers,  
subject to the provisions  
of sections 5 and 6 here-  
of.

Section 6: after the effec-  
tive date of this amend-  
ment, no new withdraw-  
able share account shall  
acquire any voting rights  
in this association.

(The purpose of this  
amendment is to allow  
the association to assess  
late payment charges uni-  
formly on all its loans  
since loans without vot-  
ing rights must be, by  
statute, assessed late  
charges of no more than  
\$2 per \$100 of the total  
monthly payment. The  
officers of the association  
believe that this sum is  
insufficient to produce  
prompt payment in many  
of our borrowing mem-  
bers.)

The meeting will also  
consider any other business  
which may legally and  
properly come before it, or any  
adjournment thereof.

## OBITUARIES

### Margaret M. Beckman

Mrs. Margaret M. Beckman, 74 years old of Antioch, Ill., passed away Wednesday, Dec. 27, 1978 at Victory Memorial Hospital, Waukegan, Ill. She was born Oct. 17, 1904 in Chicago, Ill. and has lived in Antioch since 1937. She was a member of St. Peter's Church and the Women's Club of the church in Antioch. She married Harry Beckman on Aug. 30, 1930 in Chicago.

Survivors include her husband, Harry; one daughter, Mrs. Colette (Edmund) Streich of Barrington, Ill.; one sister, Mrs. Agnes (Jerry) Havlik of Westchester, Ill.; one granddaughter, Donna. She was preceded in death by one grandson, William and two brothers, Bill and Tom McHugh.

A funeral Mass was said at 10:00 a.m. Saturday, Dec. 30 at St. Peter's Church in Antioch. Interment was in Mt. Carmel Cemetery, Antioch. Friends desiring may make contributions to the Antioch Rescue Squad or for Masses in her memory.

### Theodore J. Cichon

Theodore J. Cichon, 57, of Felters Subdivision, Antioch, passed away Sunday, Dec. 31 at his home. He was born Sept. 21, 1921 in Chicago, living there until moving to Antioch in 1967. He was a member of St. Peter's Church in Antioch, and had worked as a welder for the Waukegan Steel Sales since 1967. He was also a member of the International Assoc. of Bridge Structural and Ornamental Iron Workers Union Local #524 in Waukegan, Ill.

enthusiastically supported the park programs.

I WISH TO EXPRESS gratitude to the school boards and school district managers who became involved and opened the doors to our programs. I wish to thank the village officials for their beliefs in me and for allowing me to create leisure recreation for the community. I thank you for your support through my employment with the village.

I WISH TO THANK the Park Commission for persevering and continuing to recognize the need for good recreational programs and park facilities.

I wish to thank all of the teens and adults who have worked for the park department. You have become part of the movement; the realization that people need to enjoy life and spend free moments in leisure activities. You all have been great and very supportive.

AND A SPECIAL THANKS to the people, young and old, the participants and active supporters of the recreational programs. Without you, there would be no need for services. I thank you for becoming involved and creating the need.

And I thank all of my special friends...the little people, my preschoolers, whom I will miss. I hope you all will grow up enjoying the life you've been given.

So many people I wish to thank, I couldn't possibly name you all...I'd run out of room, but you know who you are! I will always remember the encouragement and support that I have received over the past 5½ years.

Best wishes for a happy and prosperous new year, and an even bigger and better recreational program for the Antioch community.

Sue Koppa

Remember when kids were belted and tires weren't?

## Tips for staying healthy during winter

Dr. Colette Rasmussen, associate medical director for the Chicago-based Blue Cross and Blue Shield Plan, has recommended some preventive measures that may help Antioch residents stay warm and healthy through the remainder of the long winter season.

It's essential to dress warmly in cold weather, especially to avoid the chill and frostbite that can occur when winds and cold send the wind-chill index down to sub-zero temperatures.

The best way to stay warm outdoors is to bundle up in layers of clothing. The layers tend to trap air and give your skin a warm buffer against the cold. Be sure to wear a hat because the body's heat will escape through your head unless it's covered.

Be sure not to expose skin and extremities -- ears, nose and fingers -- to the cold air for any length of time. Warm scarves, earmuffs and gloves are essential. Any numbness or

discomfort could be a sign of frostbite. So, be sure to keep moving and get indoors as soon as possible.

To avoid illness, follow the usual rules for good health -- eat properly, exercise, get enough rest. If you do get run down and sick, it's best to stay home rather than spread the illness around the office.

A flu shot is recommended for senior citizens, cardiac patients, diabetics and persons with lung disease.

### There's nothing inexpensive about a trip to the hospital

In fact, rising medical costs may have already outstripped your present health insurance.

So before you're faced with a high-priced bill and economy class insurance, get Medical Catastrophe coverage from Country Life.

Medical Catastrophe picks up where basic hospital and medical coverage leaves off.

Don't let unpaid medical bills make things rough when you're on the road to recovery. First take a trip to see your Country Companies agent for the facts on Medical Catastrophe insurance.

The Country Companies. We're a little different than most insurance people.
